UX/UI Designer with experience in developing intuitive and functional digital solutions. During my studies in Graphic and Multimedia Design at the Caldas da Rainha School of Arts and Design, I acquired skills in user research, prototyping, usability testing and accessibility.

Passionate about improving the user experience, I'm looking for new opportunities to apply and expand my skills, collaborating with creative teams to create digital products.

## Educação

### 2022 - Present - School of Arts and Design

Graphic Design and Multimedia

During my degree, I acquired skills in design and production techniques, namely graphic design, UX/UI design, 3D modelling, videomapping, multimedia production, photography and video.

### 2019 - 2022 - Dr Ginestal Machado Secondary School

Scientific and Humanistic Course in Visual Arts

During secondary school, I studied Visual Arts, which allowed me to develop technical skills such as drawing, art history and multimedia. In addition, I gained an introduction to a variety of software tools on the creative cloud.

## Experience

### 2022 June - 2022 August Freelancing

Freelancing

I worked as a freelancer with a Senior Product Designer on UX/UI projects. During this period, I was introduced to the use of Adobe XD and participated in the development of wireframes, acquiring knowledge in human-centred design.
